OPT OUT REQUEST FORM
5th Grade Family Life Education

Attention Parents/Guardians,

Family Life Education will take place during Physical Education classes from Thursday March 23- Thursday March 30, 2017. Students in fifth grade will be split by gender during instruction. Mrs. Foltz will instruct the females and Mr. Regetz will instruct the males. The lessons will cover the objectives listed below. All materials are available to view prior to the start of Family Life Education. If you wish for your student to be opted-out, please sign and return this form to your child's Physical Education teacher. Any student who does not return this form will automatically be enrolled in the program.

TOPICS

Objective 5.1

The student will identify physical and emotional changes that begin to occur during puberty.

Objective 5.2

The student will be able to identify the human reproductive organs, using correct terms.

Objective 5.3

The student will develop an overview of human fertilization, how babies develop, and the birth process.

Objective 5.4

The student will define the structure and function of the endocrine system.

If you wish to opt your student out of Family Life Education, please sign and return this form to Mrs. Foltz by Thursday, March 23, 2017. If you would like for your student to participate, there is no need to return the form.
